Beetle Catcher / カブトキャッチャー

shin5963.ocnk.net

When summer comes, many children enjoy catching insects. Of these, beetles and stag beetles are so popular that they are sold at supermarkets and department stores. This product is a trapping device that attracts beetles with "Origin of Odor." The interior provides a comfortable environment for nocturnal insects. Also, because the surface is slippery, the insects will not be able to fly away. Costs 1,348 yen. The odor comes in separate packs (of three) that are sold for 598 yen.

夏になると多くの子どもが虫取りを楽しむ。なかでもカブ トムシやクワガタは、スーパーや百貨店で販売されるほど 人気。これはカブトムシなどを「においの元」でおびきよ せる昆 虫 捕獲器。中は夜行性の虫にとって快適な状態。 また、内側はすべるので逃げられない。1,348円。におい の元 (3回分) 598円。
